Subject: Additional information for tree work permission

Dear Mr Allison

As per our recent telephone conversation please accept this email as further information to my application for work to a silver birch tree in my garden at 3 Mill Lane, Langstone. I hope the plan that I drew and the photograph provided (a winter one to show the conformation of the tree) also added visual information.

"I wish to reduce the crown of a silver birch tree by 30% in order to balance the tree and to reinstate it as a balanced part of a group of three silver birches. This tree is subject to a TPO in Mill Lane Conservation Area."

If you need any more information please don't hesitate to email.

Thank you for your kind help.

Best regards

Sarah Graham
