PARKING

STATEMENT FOR

PROPOSED

TWO STOREY SIDE EXTENSION

AND REPLACEMENT PORCH

AT

48 THE THICKET

WIDLEY

HANTS

FOR

MR AND MRS ELLIS

This Parking Statement is to accompany the attached planning application for the side extension and replacement front porch at 48 The Thicket, Widley, Hants.

The existing property is has three parking spaces. Two of the parking spaces are on the existing driveway and one is within the existing garage.

The proposed extension will have the net effect of removing one of the parking spaces in the existing garage.

If it is felt necessary to have the parking space "replaced" then it can be demonstrated that this can be achieved by placing the space onto a new hardstanding in the front garden of the property.
