For: Mr and Mrs R Butler

The Town and Country Planning (Development Management Procedure) (England) Order 2010
Grant of Planning Permission

Application Number: APP/11/01403
Site Address: 133 Lovedean Lane, Waterlooville, PO8 9RW
Proposal: Demolition of existing garage and construction of single storey side extension (north elevation), including new attached garage. Single storey side extension (south elevation).

Further to your application received on 02 September 2011, Havant Borough Council as Local Planning Authority **Grants Planning Permission** for the above proposal in accordance with the submitted plans and particulars as detailed below.

This permission is subject to compliance with:

(i) The plans and other documents submitted with regard to your application, and

(ii) The following conditions:

Conditions:

1 The development hereby permitted shall be begun before the expiration of 3 years from the date on which this planning permission was granted.
Reason: To comply with Section 51 of the Planning and Compulsory Purchase Act 2004.

2 The external materials to be used shall match in type, colour and texture those on the existing building.
Reason: In the interests of the amenities of the area and having due regard to policy CS16 of the Havant Borough Core Strategy 2011 which forms part of the Local Development Framework and Planning Policy Statement 1.

3 The development hereby permitted shall be carried out in accordance with the following approved plans:

Application form received on 2/9/11
D No. 11/12/1 - site plan, location plan
D No. 11/12/2 - proposed floor plan, elevations and section

Reason: - To ensure provision of a satisfactory development.

Other Important Information:

In reaching its decision the Council has had regard to policies of the Havant Borough Core Strategy 2011 which forms part of the Local Development Framework: and Planning Policy Statements/Guidance -

Havant Borough District Wide Local Plan 1996-2011
Havant Borough Core Strategy 2011
CS16 High Quality Design
DM13 Car and Cycle Parking on Residential Development

National Policies
PPS 1 (Delivering Sustainable Development)

The Council considers, having regard to the objectives of these policies, that the principle of the development is acceptable in this case, and also that the impact of the development is acceptable in terms of the appropriateness of the design and the effect on the streetscene, the effect on neighbouring properties and drainage issues. Having taken into account the requirements of Section 38 (6) of the Planning and Compulsory Purchase Act 2004 and all other material considerations, the Council has determined that planning permission should be granted for the development.

(1) This notice only relates to the decision of Havant Borough Council as Local Planning Authority under the Town and Country Planning Acts. It does not relate to any other application that may be required under the Building Regulations or under any other Act, Regulation, Byelaw or Order where the Council's approval may be needed. For further guidance as to the need for consent under the Building Regulations please phone 023 9244 6573.

(2) Your attention is drawn to the attached information regarding firstly your right to appeal to the Planning Inspectorate, if you are aggrieved by the Council's decision, and secondly the rights of an owner to, in certain circumstances serve a purchase notice on the Council. See www.planningportal.gov.uk/pcs.

(3) Any failure to adhere to the details of the approved plans, and other documents or to comply with any conditions listed above may lead to enforcement action being taken by the Council. If you wish to depart from the approved details or conditions in any way you should contact the Planning and Development service at the Civic Offices or by telephoning 023 9244 6015.

(4) There should be no discharge of foul or contaminated drainage from the site into either groundwater or any surface waters whether direct or via soakaways during and after the proposed works. Any surface water drains will lead directly to a watercourse and as such no liquid other than clean surface water (for example roof run-off) should be allowed to discharge to a surface water drain.

The risk of pollution at construction and demolition sites can be significantly reduced by providing secondary containment measures for storage tanks. Oil tanks must comply with the requirements of the Control of Pollution (England) (Oil Storage) Regulations 2001.

Further detailed advice and where our pollution prevention guidelines are available to view and download can be found at the Environment Agency's pollution prevention website http://www.environment-agency.gov.uk/business/topics/pollution/32252.aspx or by calling our National Customer Contact Centre (NCCC) at 03708 506506
