

Mr & Mrs A J Schultz
38 Haven Road
Hayling Island
Hampshire
PO11 9RY

10.03.11

Application for the extension of caravan site license Re- 38 Haven Road/ Warden.

This application is a request to allow us as the sole owners and proprietors of the above address,
To employ a person as named 'warden' for the months between 1st January until 1st March.
For them to reside in one caravan for that period.
This is in order to maintain and act as security for the site

A Substantial amount of money has been invested in order to produce a caravan park
That has been built from scratch using an above standard of workmanship.
All caravans are equipped with electrical appliances including televisions.
Computer and fax equipment is kept there, in; order to receive emails and faxes which are
Business related. A main telephone number is also used from these premises
Mrs Jane Schultz is also qualified working within the disabled and people with learning disabilities.
She has a data base of prospective clients that are booked to rent this year.
So therefore this caravan park will be used as respite for them also.
Equipment will be stored for their use, and us to meet their requirements.

This land was previously owned by Irish travellers and was known to be used as a
Stop over point. It was unkempt and overgrown and although owned by them the land was derelict
There is a concern that if the site was left unattended, not only
Will they pull on they may break into one of the vans and reside there.
Also there is the risk of them stealing and trashing our livelihood?

Having a warden as security and maintenance person would put not only our minds
At ease but also neighbouring properties at ease also.
The feedback given to us from local neighbours is that our site is an asset to the community
Not only in appearance but also in peace of mind to them that these travellers will not be around.

Please take this information into consideration as part of the application.

Yours Sincerely

Mr & Mrs AJ Schultz
