Photo 3:
10 South Street, Emsworth, PO10 7EH
Outer face of new "traditional" timber sash window
(to be single glazed), awaiting installation in
existing structural window opening
in front (north west) elevation.

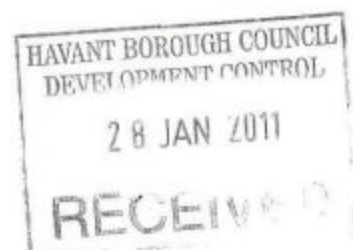

Photo 4:

10 South Street, Emsworth, PO10 7EH
Outer face of one of two new timber casement windows
(to be single glazed), awaiting installation in
existing structural window openings
in side (south west) elevation.

NB: Both windows are identical in size and
appearance, except for the side hung opening casements
being "handed" (as noted on drawing 1164/3/08).
