

The floor plan illustrates the layout of a property located at Bound Lane. The internal structure includes a garage, an additional room in a link, a dining room, a kitchen and breakfast room, a utility room, a downstairs area, a staircase, a bedroom, and a bathroom. The external area features a re-aligned drive entrance, three designated car parking spaces (one occasional and two 2.4M x 4.8M), and an existing brick garden wall adjacent to a 2M boundary. A north arrow is positioned at the bottom right of the plan.

1. North and South elevations remain unchanged from the existing views.
2. Planning conditions 1, 2, 3, 4 and 6 will be complied with.
3. Planning condition 5 is no longer applicable.
