For the attention of Mr Keith Oliver

Dear Sir,

Ref :- APP/11/01369 5 Vian Road, Waterlooville.

Further to our recent telephone discussions regarding application APP/11/01369, please find attached drawing number PX 02 showing 3 no. car parking bays as required by Highways.

There are a number of different configurations for this requirement but I feel this is the better layout.

The drawing also shows a hatched area denoting the extent of block paving to enable the car parking requirement. The current land is laid to grass with bounding dwarf walls at approximately 600mm high and in poor condition. These will be removed in their entirety.

Yours sincerely,

[redacted]
