

3-4 WELLINGTON WAY, WATERLOOVILLE

PLANNING STATEMENT

This site has an already established A1 Retail use and is in a shopping centre. Sue Ryder is a charity in the process of acquiring a lease on this property and wish to install our own branded signage. We would assume there is a deemed consent for the fascia but, as we wish to install two hanging/projecting signs, we understand that we need to submit an application for advertisement planning consent.
