Dear Mrs Clark,

Reference to a letter dated 17th August 2011 from Mr S Weaver, please find enclosed a map with tree locations for the above application.

From looking at this map, the Oak tree we applied to reduce does not have a TPO on it, so please remove this from this application.

On the Map, I have high-lighted the 3 x Lombardy Poplars. T5 and T11 to reduce, and T10 to remove.

I hope this provides you with enough information to validate this application.

Kind Regards
