Proposed change of use for 15 Abbotstone avenue, Havant, Hants, PO9 2HL

I would like to gain permission to change one half of our double garage into a beauty salon for my wife to run a small business from home. I have informed the business rates and building control departments and will make formal applications once a decision from the planning department is reached.

The outside structure will be unchanged, behind the existing roller shutter door will be a double glazed door and window unit. There will be a small reception area leading into the main salon area; this in turn will lead into a toilet/shower area. The existing driveway is big enough to accommodate three vehicles but the salon will only ever require one of these.

The opening hours would be on a part time basis between the hours of 10-3 Monday to Saturday. I anticipate there to be a maximum of three clients spread over the entire day.

I have enclosed a floor plan of the project and the original drawings from the garage build.

Tim Ray
