Dear Ms Quant

THE TOWN AND COUNTRY PLANNING ACT 1990
County Consultation

Application Number: APP/10/00421
Site Address: Glenwood School, Washington Road, Emsworth, PO10 7NN
Proposed Development: Hampshire County Council consultation for the provision of a synthetic turf sports pitch, associated fencing and access routes.

I refer to the above application which is to be determined by the County Planning Authority and referred to me for the formal observations of this Council as Local Planning Authority, and write to confirm that the application has been considered under delegated powers.

This Council **Raises No Objection** to the development as described above subject to the following:

(i) Compliance with the plans and other documents submitted with your application, and;

(ii) The following recommendation:

It is recommended that the 4m high weld mesh fence should be in a colour that blends in with the surroundings (for instance green) to minimise the visual impact.

It is understood that there are no flood lights proposed with the scheme and that the MUGA will be used in daylight hours only. Should flood lighting be required on site, this Authority would wish to have the opportunity to comment further.

These comments are made from a planning perspective only and any further comments from this Council's landscape officer which will be forwarded at the earliest opportunity.

The spare copies of the application are enclosed.

Yours sincerely

Mrs J A Batchelor
Head of Development & Technical Services
