Flood Mapping of the Manchester Ship Canal in Trafford, Salford and Warrington may be subject to revision in our May 2011 update as a result of representations.

For further information please contact us on 08708 506 506.

Users of the Flood Zone Map should be aware that we have received a judicial review challenge to the mapping of the Manchester Ship Canal at Trafford, Salford and Warrington on the ground that the preparation of the map is flawed in respect of our consideration of the role of the sluice gates in preventing flooding.

We are defending the challenge and believe and are advised that it is ill-founded. Nevertheless, pending determination of the challenge, users of the map need to consider whether the existence of the challenge, and the basis of it, affects the weight they judge may be given to the zoning of the Manchester Ship Canal within the Flood Map.
