Checklist

- ☐ Have you sought advice from an Officer of the Council prior to submitting this application form?

If yes, please state the name and/or reference number of any correspondence received:

- ☒ Have you enclosed a Design and Access Statement?

Design and Access Statements are required for all applications for planning permission except for those proposing engineering operations, changes of use with no operational development, and householder applications. However, Design and Access Statements are needed for householder applications where any part of the curtilage of the property lies in a Conservation Area, Site of Special Scientific Interest (SSSI), Area of Outstanding Natural Beauty (AONB), National Park, World Heritage Site or The Broads.

If this statement is not included, your application cannot be registered.

For further information on a Design and Access statement please refer to: www.havant.gov.uk or the guidance notes attached to the form.

- ☐ Have you carried out consultation in accordance with the Council's Statement of Community Involvement (SCI)?

The Council's SCI requires applicants to undertake wider community involvement for applications which it considers are likely to have a significant impact on the local community. For further information on the SCI, please see www.havant.gov.uk/havant-4338.
