Further to your notification received on 03 November 2010, Havant Borough Council, as Local Planning Authority, advises that it **Raises Objection** to the above tree work in Warblington Conservation Area for the following reason:

The proposed works to the Oak tree (T1) and continuation during the current pruning season of pruning works to the hedge at the southern boundary, which is considered to include trees, is considered likely to reduce the landscape value and visual amenity of the oak tree and the habitat and landscape value of the hedge in a manner contrary to policy CS11 of the Havant Borough Core Strategy Adopted in March 2011, and which forms part of the Local Development Framework for the Borough.
