Dear Mr Steve Weaver,

Site Address: Health Centre, Civic Centre Road, Havant, PO9 2AG
Proposed Development: Temporary Planning Permission for 3 No. portable 'city cabins' at the northern edge of Havant Health Centre has been sought historically and subsequently renewed. This application is for further extension of that temporary planning permission for the continued use of 3 no. portable 'city cabins' under the condition that all buildings shall be permanently removed from the site and that the land shall be restored to open space at the end of the agreed extension date.

Thank you for your letter dated 9th December acknowledging receipt of our application and requesting four copies of both the existing/proposed elevations and the existing/proposed floor plans.

Please find enclosed, four copies of the existing floor plans. Given that the application is for the extension of the existing planning permission, there are no proposed floor plans. We do not have access to drawings of the proposed/existing elevations and as there has been no change since approval of historic planning permissions for the 3 No. portable 'city cabins' and as all portable 'city cabins' are single storey we feel that these drawings would not add to the application.

We hope that you find the above justification for excluding the existing/proposed elevations acceptable and that you will be able to progress our planning application.

If you require any further information please do not hesitate to contact me.
