THE TOWN AND COUNTRY PLANNING ACT 1990
Refusal of Planning Permission

Application Number: 10/71828/005
Site Address: 53A-55 Hulbert Road, Havant, PO9 3TB
Proposal: Application for non-material changes to Planning Permission No. 06/71828/000 relating to provision of emergency backup generator.

Further to your application received on 14 January 2010, Havant Borough Council as Local Planning Authority **Refuses Planning Permission** for the above proposal.

The reason for the Council's decision to refuse Planning Permission is:

1 The effect of the proposed generator, additional to the permission granted under 06/71828/000, is considered to be a material change as the development would need to be reassessed in terms of its impact upon the neighbouring properties and the appearance of the development in respect of landscaping. The proposal would as a result, require consultation with neighbouring properties and statutory consultees.

To approve the change as a non-material amendment without such consultation would therefore result in the criteria set out in saved Policies D1, PC1 and L7 of the Havant Borough District Wide Local Plan 1996-2011, which forms part of the Havant Borough Local Development Framework, and Planning Policy Statement 1, not being complied with.

Should you wish to pursue the changes proposed, therefore, a revised planning application will need to be submitted.

In coming to its decision the Council considered plans and other documents submitted with your application and the saved policies of the Havant Borough District Wide Local Plan 1996-2011, forming part of the Havant Borough Local Development Framework.
