Dear Mr Lakhan

Havant Thicket Reservoir Implementation:

Application to Havant Borough Council to discharge Condition 2 attached to reserved matters permission reference APP/24/00311 for Phase 3 (Main Embankment)

Further to our recent discussions, on behalf of Portsmouth Water's appointed contractor, Future Water JV Ltd, I am writing to formally apply to partially discharge planning condition 2 (scheme and risk assessment) for Phase 3 (Main Embankment) as part of the implementation of Havant Thicket Reservoir.

The application has been submitted through the Planning Portal (Reference: PP-14219978) and the application fee of £298.00 (plus the administration fee) has been paid online. The Application comprises:

- This covering letter
- Application form
- Valve Tower Public Safety Measures Document (ref: HTR-FUW-P3-RC-RP-W-1708 Rev: P02)

A duplicate application has been submitted to East Hampshire District Council.

I would be grateful for the local planning authority's discharge of the condition at the earliest opportunity.

If you have any queries on the application or require any additional information, please contact me on 07941113896 or a.turner@adamshendry.co.uk.

Yours sincerely
