

Architectural floor plan of a two-story house. The plan is divided into two main levels: the top floor (first floor) and the bottom floor (ground floor).

Top Floor (First Floor):

- Living:** A large open-plan living area at the rear of the house.
- Kitchen:** A kitchen area adjacent to the living room.
- Utility:** A utility room located between the kitchen and the front entrance.
- Conservatory:** A conservatory attached to the front of the house, accessible from the utility room.
- WC:** A toilet (WC) located near the utility room.
- Staircase:** A staircase labeled "up" leading to the second floor, located near the front entrance.

Bottom Floor (Ground Floor):

- Living/bed:** A large open-plan living and bedroom area at the front of the house.
- Kitchen:** A kitchen area adjacent to the living/bed room.
- Bath:** A bathroom located near the front entrance.
- Staircase:** A staircase labeled "dn" leading down to the basement, located near the front entrance.
- Conservatory:** A conservatory attached to the front of the house, accessible from the living/bed room.

The plan includes various architectural details such as doors, windows, and furniture placement. The overall layout suggests a modern, open-plan design with a mix of traditional and contemporary elements.

This architectural drawing shows the elevation of the building facade. On the right side, there is a large glass entrance with a dark frame. To the left of the entrance is a solid wall featuring two small, square windows. The drawing is a black and white line sketch.

existing side

This architectural section drawing shows a cross-section of a building. The structure features a sloped roof on the right side, which transitions into a flat roof section on the left. The interior is divided into several rooms, including a large open space on the right, a smaller room in the middle, and a room on the left with a large window. The drawing uses fine lines to represent structural elements like walls, floors, and roof trusses.
