Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I am objecting to this planning application for reasons of safety.

Traffic and parking has increased dramatically in Burnside over the last few years due to the businesses in Highfield Parade, the conversion of some shops in to flats and the land owner not allowing residents of the flats to park in the area behind the shops etc and more parents driving their children to school.

This has resulted in congestion and obstruction of driveways and this is a safety issue with regards to the schoolchildren and residents etc being able to walk and cross the road safely.

It would appear from the plans that this building is being squeezed in to a small area and it would worsen the problems/issues that are already occurring. Delivery vans including Royal Mail will have reduced access to make their deliveries. This area at the moment allows vehicles to pull in and/or turn around so if this development goes ahead then this relative safe area will be gone.

The construction and the vehicles involved will cause noise, dirt, disruption and safety issues for those living in Burnside and neighbouring roads.

This will also have a great impact on the residents of 4 Burnside.

They will have to endure noise, dirt/dust and loss of light, it will be so intrusive.
