Dear Sir/Madam,

Proposal: Flood and coastal erosion risk management scheme comprising a combination of raised earth embankments, raised footpaths/cycleways, sheet piled sea/flood defence walls with cladding and flood glass, provision of flood gates, associated landscaping and landscaping improvements (including street furniture), tree works and tree removals, realigned sections of cycleway/walkway, highway alterations and improvements, ecological improvements and temporary compounds and access, and all associated works. The proposal constitutes EIA development.

Site: The Meadow, Guston Road, East Langdon, CT15 5JE.

Thank you for your correspondence dated the 21st of March 2025, please see our comments below regarding the above application.

The Council's technical staff and the relevant authority for land drainage consent should comment on the adequacy of the proposals to discharge surface water to the local watercourse.

Foul drainage is not applicable for this development.
