

Dear Sirs,
Planning Application Nos: APP/24/00232 and APP/24/00245

Thank you for your letters of 12th April regarding the above planning applications.

The parking situation in Emsworth House Close has been a long-standing problem. There are 48 flats and 6 private houses and on road parking spaces for 24 cars 5 of which are marked Disabled. The access road to Emsworth House Care Home is also on this road and has limited parking facilities for visitors.

Currently there are no facilities for any visitors to Emsworth House Close and very often Ambulances, Fire Engines and Delivery Drivers have had to request cars to be moved to facilitate access.

[REDACTED]

The residents of Furlonge House [REDACTED]
[REDACTED] parking close to home is needed. Further
development within Emsworth House Close would mean more cars and 4 to 5 less parking spaces.

[REDACTED]

[REDACTED]

[REDACTED]

It is for the above reasons that the residents of Furlonge House are opposed to the development of 2 houses in the open space at Emsworth House Close as no consideration has been given to the welfare of the existing residents.

A simple solution would be to facilitate parking bays in the land opposite to the proposed development.

Yours faithfully,

Residents of Emsworth House Close
