

Yes please log this information as an objection to the planning and development in Emsworth House Close. Also I forgot to mention the parking tickets that residents have received due to parking in the turning area because there was no other parking available in the road. Hopefully this can be admitted into the objection as well.

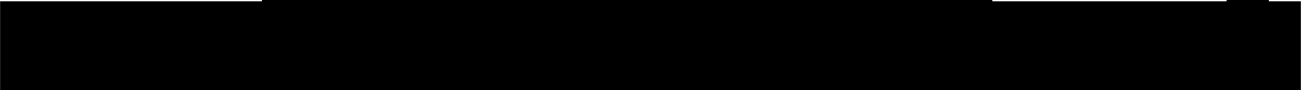

Dear Mr Eaves

Please find attached some photos of the parking situation in Emsworth House Close over taken the last week.

18th February:-

no parking spaces

5th Feb:-

there

were no available parking spaces.

19th January:- A short video showing 2 cars parked on the pavement opposite the entrance to Furlonge House due to there being no available parking spaces.

10th March 5.40pm:- No available parking spaces

6pm:- 1 available space.

12th March 6am:- No parking spaces. [REDACTED]

8am:- No parking spaces

3pm:- 1 available parking space, but 2 vehicles parked on yellow lines at end of road

6pm:- 1 Available parking space

13th March 6am:- 1 available parking space

9am:- 2 available parking spaces

3pm:- 1 available parking space

14th March 6am:- 1 available parking space, but a vehicle parked on the pavement

1.30pm:- No available parking spaces

5.40pm:- 1 available parking space

6pm:- 1 available parking space

15th March 8.30am:- 1 available parking space, but a vehicle parked on pavement

I have also added pictures of what might appear to be a parking space but it is only 13feet long.

[REDACTED]

[REDACTED] do not believe the survey that was presented to yourself to be an accurate representation of the parking situation in Emsworth House Close.

[REDACTED]

[REDACTED]. Parking has always been an issue here and at no time whatsoever has there ever been 8 parking spaces available as indicated on the 20th February in the survey.
