Hi Jamie

This one isn't a planning app its for a certificate of lawfulness, whilst looking at Google Maps, I noticed this nearby tree. Would you have any Arb concerns if we are looking to grant the certificate? Doesn't appear to be a TPO or anything based on GIS.

Service news:

The Council has now moved to a new software system for case management. The Planning Development Team is now working to acclimatise to the new system, and during the week commencing 25 August will begin to catch-up with applications and cases received during the downtime period since 31 July 2025.

Please note, statutory timeframes will not be impacted, but you may be contacted to discuss an extension of time for the determination of any outstanding cases in light of the change.

Services without a statutory timeframe may be subject to delays in response.

We apologise for any inconvenience caused during this time and appreciate your patience as we make this change.

Please note: The pre-application advice service is not currently running and will resume on 1 September.
