

Planning Application APP/25/00615 at 97 New Brighton Road, Emsworth, PO10 7QS - Cladding

From Richard Williams - JLRW Ltd <richard.williams@jlrw.co.uk>

Date Tue 2025-09-09 4:57 PM

To Riley, Robert <Robert.Riley@havant.gov.uk>

CAUTION: This email came from outside of the council - only open links and attachments that you're expecting.

For the cladding we are looking at a zinc effect cladding to tie into the heritage and provide a colour that echoes the flint grey. A product example is <https://www.rheinzink.com/>, which manufacture rolls of the material and could provide a high-quality finish with continuous horizontal band as the end result. This would achieve a contemporary look whilst still respecting the heritage character and material palette. This material could also be used for the parapet capping for consistency across the project.

If you have any other questions, please let me know.

Best wishes

Richard
