

FAO Mr D Eaves- Planning department

Ref: APP/24/00245 & APP/24/00232

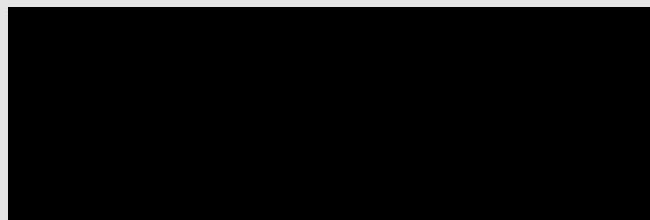

Please accept my objection to **both** properties referenced above.

Emsworth House Close is a narrow road which has already limited parking, resulting in residents having to park elsewhere in other roads.

The access is difficult and often deliveries and emergency vehicles struggle to access the close let alone find a place to park.

The wellbeing of the residents will be put at risk during any construction due to noise and safety levels due to high volumes of traffic.

Yours sincerely
