

F.A.O. MR. D. EAVES PLANNING OFFICER

HAVANT BOROUGH COUNCIL

9 MAY 2024

RECEIVED

7th MAY 2024

FAO the planning officers.

As a resident of Emsworth House Close I am writing to object to the two planning applications referenced below.

APP/24/00245 and APP/24/00232

Any construction on this site will impact the already existing parking issues that the residents who live here have, where residents have no alternative but to park in adjacent roads.

The disruption of a construction site with lorries etc having to access the road will cause worrying issues for access of the emergency services who frequent the close due to the demographics of the street.

I would also like to question why the developer has put in two separate applications, is this in the hope that we would not realise and only object to one? I would hope that any objections received will be published on the planning services website across both applications.
