Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I would like to ask if anyone has visited Emsworth House Close to evaluate the issues that already exist. There is already serious safety issues with parking and access for emergency vehicles.

We have quite a few of our members that are residents in the close and Furlonge House, 3 of them use the club regularly to park their cars as they are unable to do so on their own street.

Taking away further spaces will make the situation even worse.

This has been a known ongoing problem for years, surely the land should have been looked at for parking and safety rather than money making.

We have 3 older people from Furlonge house that attend our Sunday night bingo, [REDACTED] and quite often I have given her a lift home, it is impossible for me to park anywhere near to her entrance, well in the street at all. So, I have to stop in the street to help her out of the car, if another car turns up at the same time we are all stuck with nowhere to go. I myself have got stuck on a few occasions as there was no space to turn around at the end. I have had to reverse the whole length of the road, which is not an easy task even for a confident driver on the narrow bendy street.

Ambulances come round quite often [REDACTED] it is a serious safety issue for any emergency [REDACTED]

Due to these issues and the safety of residents I strongly object to the development as submitted for this piece of land.
