Dear Mr Eaves,

Your Ref: APP/24/00232 & APP/24/00245

Thank you for your letters of 12th April 2024.

I write to object to the above planning applications.

The parking facilities within Emsworth House Close are already full. There is no room for visitors or the emergency services.

Unless additional parking for existing residents is provided the addition of 2 further properties would reduce the current parking spaces and bring more cars into the close.
