Planning Application for temporary banners

For many years temporary banners have been attached to the Museum wall for the Arts Trail exhibition (Banner goes up at end of first week in April; Banner comes down on Tuesday following the first Monday May Day holiday).

And for the Emsworth Artists Exhibition (Banner goes up in second week in August; Banner comes down on Thursday following the August Bank Holiday Monday).

Permission has been sought verbally and granted for this each year.

We have now been informed [redacted] that we now need to apply for planning permission, and this will remove the necessity of asking for permission each year.

This application seeks to formalise the planning permission request.
