Dear Planning Services,

Subject: Re-consultation Request for APP/21/01351, Land south of Saltmarsh Lane,
Hayling Island, PO11 0JT

Further to my letter dated 31 March 2022, I can only re-emphasise all the points made and wish to add the following:

- 1, I understand that there are some 600 homes currently up for sale and the market seems to be at a stand still.
- 2, Several of the houses at the rear of North Shore Road which are still being built have not been sold.

I cannot see the need to build anymore houses on Hayling which will impact the already stretched surgery and bring yet more congestion to our roads.

- 3, I still feel it is unbelievable that permission would be granted to build 60 houses immediately in front of a row of retirement bungalows which are all occupied by elderly people with various health problems, including stress.

The lounges and kitchens would be overlooked depriving us of any privacy and feeling extremely vulnerable, not to mention the dust and noise during the build.

I am desperately hoping that you will refuse this planning application.

Yours sincerely,
