Hi Jennie,

Thanks for the chase - sorry I was away last week.

Yes the ground floor extensions are to be clad in Russwood Abodo Vertical Grain timber cladding boards.

The roof shingles noted on the application form were planned to be Marley timber shingles <https://www.marley.co.uk/shingles-and-shakes/cedar-shingles>. However, there is a chance that the client may want to go forward with low pitch clay roof tiles instead. <https://www.roofingoutlet.co.uk/collections/planum-low-pitch-roof-tiles-10/products/planum-clay-interlocking-low-pitch-roof-tile-10-rustic>

The windows will be a lacquered oak finish. Example image below.

Kind regards,
Lisa
