Dear Sirs

Re: Application Number. APP/21/01351

Land South of Saltmarsh Lane Hayling Island.

We strongly object to this application 

I had no response from the Planning Department and assumed this was no longer going forward.

It is not suitable for anymore houses on Hayling Island – the roads were not built for the amount of traffic it is now taking, hence continuous pot holes, the surgery is full to capacity and many houses on the Island have not been sold.

I await confirmation of this letter this time.

Yours faithfully
