To whom it may concern,

Reference: APP/21/01350 – Outline application for erection of up to 29 dwellings at Land north of Oysters, Station Road, Hayling Island

Thank you for consulting the County Council as Local Education Authority on the above planning application.

The proposed development of 29 eligible dwellings would usually be expected to generate a total of nine additional primary age children and six additional secondary age pupils. This is based on a rounded figure of 0.3 primary age children per new dwelling and 0.21 secondary age children per dwelling which was derived by conducting demographic surveys of developments that have been completed within Hampshire and calculating the average number of primary age children on those developments.

The development site is served by Mill Rythe Infant School, Mill Rythe Junior School and The Hayling College. Mill Rythe Infant School is forecast to have capacity. Mill Rythe Junior School is forecast to have capacity. The Hayling College is forecast to have capacity. I will not be seeking contributions towards Primary or Secondary education provision.

If you have any queries concerning the above, or wish to discuss this matter, please do not hesitate to contact me via email at: strategicplanningunit@hants.gov.uk.

Yours faithfully,

Francesca Godden
On behalf of the Director of Children's Services
