For attention of Richard Hawkey

Dear Sirs

Re: APP/25/00570 At Park Lodge, Hooks Lane, Havant, PO9 3DT

**Change of use from (Class C3) to a nursery setting (Class E (f)–
childcare provision).**

Thank you for the consultation on the additional trip generation information submitted. It is unclear the source of the data or the base data assumptions which have been adjusted to calculate the vehicular trips. Whilst the Highway Authority would request clarity on this information the additional submission does not overcome the concerns around the suitable access arrangements to the building and the interaction of the entrance with the existing garage parking area. Connections from the adopted highway to the proposed access is poor and clarity is sought on how this can be made safe and suitable to support the proposed nursery expansion.

Yours faithfully,

Holly Drury
