Havant Borough Council

Havant

Dears Sirs,

We have be made aware o a condition variation to 2a Scratch ace Lane, Havant to use the new Cabin or a Small Low Impact salon, [redacted] & have no objection to it being used or these purposes as they have private parking on site & it will have no impact on us directly. Including parking / traffic or noise. We support this condition being varied. We eel they have no choice with the current rent increases.

Kind Regards
