

To whom it may concern

We have been made aware of a planning variation request concerning the garden building that has been approved for 2a Scratchface Lane.

The variation is to be able to use the building for a low impact salon for [REDACTED]
[REDACTED]

[REDACTED] and wish to say that we have no objection to the proposed change of use. The building size will only allow a couple people to use it at any one time and also there is adequate parking on their drive. There is no perceived issue with noise either.

There are a number properties in the area that enable people to work from home without issue and have had to relocate due to rising costs and the variation request will enable [REDACTED] to do the same thing.
