Hello Robert

My reasons for refusal to the above planning application.

R28 excessive bulk to the neighbouring property.

R39 bulk and height in the street scene.

R111 it will set an undesirable precedent.

R133 detrimental to the neighbouring properties.

all contrary to CS16 of the Havant local plan.

Please can you tell me when this will go to committee as I note there have been over 5 objections.

Kind regards

Caren
