Service: Planning applications

Planning application reference number (if applicable)?: APP/25/0551 159 Milton road
cowplain Additional information:

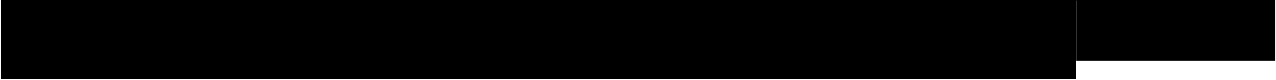

I would like to object to this property being changed into a childrens home which is a business and not a domestic property and could affect the value of surrounding properties.

its rear garden is very small for children to play in
,most of the garden being at the front and adjacent to a dangerous junction.

I am not against children but some can be noisy and disruptive I have
observed and some of their carers could instil more discipline.

I know these children have to be housed somewhere but I dont think this property is
suitable for them or the neighbours and I would also reiterate the objections of the other
objectors.

I would like to thank Mrs T Pickup for replying to my email.
