7 Planning Considerations

7.1 Having regard to the relevant policies of the development plan it is considered that the main issues arising from this application are:

Whether the degree of pruning works requested would undermine the amenity value of these trees and whether this could also be harmful to their ongoing health and vitality.

7.2 My recommendation relates specifically to assessing the proposed works rather than generally considering the tree's health and condition in any great detail and deals with the relevant issues that have been raised on site and in the application form. The recommendation made within this application is formed from a desktop based examination in line with BS 3998.

7.3 The evidence supplied with the application is sufficient for a justifiable removal of the tree due to its decline (ADB) in conjuntion with a pathogenic fungi.

8 Conclusion

Recommend permission

9. RECOMMENDATION:

That the Executive Head of Place be authorised to Approve with Conditions application APP/25/00716

Conditions:

1	The tree works for which consent is hereby granted shall not be carried out otherwise than in full accordance with all relevant content of BS 3998 (2010). Reason: In the interests of tree health and safety.
2	In the first planting season following the date of felling; 1 replacement tree is planted. The tree should be a minimum 1.5 metres tall at the time of planting and should comply with BS3936:Part 1:1992. It should be planted at or near the site of the existing tree. It should also be selected from the following species: 1. Field Maple 2. Rowan or such other size, species, location or period of time as may be agreed in writing with the Council. If within a period of three years any tree planted as a replacement is cut down, felled, uprooted, removed, or die, or becomes in the opinion of the Council seriously damaged or defective: a) the Council shall be notified as soon as is reasonably practicable; and b) another tree of the same species and size shall be planted in the same location at a time agreed in writing with the Council unless the Council agrees to dispense with or vary the requirement. Reason: To conserve and safeguard the visual amenities of the locality.
3	The tree works for which consent is hereby granted shall be carried out and completed no later than one year from the date of this decision notice.

	Reason: To control the timing of the works
