For attention of Mr Guffick

Dear Sirs

Re: APP/25/00825 At 78 Durley Avenue, Waterlooville, PO8 8UZ

Erection of a new dwelling with associated drive and parking

Thank you for consulting the Highway Authority on the 78 Durley Avenue planning application. The Highway Authority wishes to make the following comments.

It is unclear from the submitted documents whether the application will alter the property's access. Should there be no changes to the access arrangement onto the public highway, given the scale of development being for 5 dwellings or less, HCC's Highway Standing Advice should be referred to in the first instance. This can be viewed via the following link under the heading Consultation with the Highway Authority

<https://www.hants.gov.uk/transport/developers/consultation>

Should there be any changes to the access arrangements onto the public highway then the Highway Authority should be reconsulted for further comment.

Yours faithfully,

Louis Aplin-Haynes
