Comment Reasons:

Comment: I was not surprised to read this proposal. Mr Ware has failed to look after or maintain the large tree in his carpark, and the carpark has now become a dumping ground for fly tippers and vermin. This has a direct effect on the value of property and the appearance of the area. [REDACTED]

maintain and cut his tree down [REDACTED] to date no trimming or maintenance has occurred. [REDACTED]

The carpark is poorly falling apart [REDACTED] overgrown and scruffy. Mr wares company have never conducted any tidying or clearing.

Clearly these issues do not relate to the planning app but provide context and show a total disregard for residents and the general area. Clearly mr ware seems this land as a quick easy way to make money and based on the state of the current carpark we have no confidence he has any intention to improve or contribute to the aesthetics of the area.

A 2 bedroom property would undermine the current level of properties in the area. Burnside houses are 3- 4 bedroom - a desirable and attractive road. [REDACTED] mr ware has provided nothing to the local community or environment and clearly sees it as a simple way to make money.

A house next to the shops adjacent would have a detrimental effect on businesses- cramping an already busy area.
