HAVANT BOROUGH COUNCIL

16 DEC 2024

RECEIVED

Ref. APP/24/00630

DEAR SIR,

IN REPLY TO ABOVE INFORMED TODAY BY POST, THERE IS STILL A STRONG
OBJECTION WITHIN THE FLAT COMPLEX OF HILDEN COURT...
IMMEDIATELY ALONGSIDE THE PROPOSED BUILDING EXTENSION*
• WE SUPPORT THE STRONG OBJECTION FULLY EXPRESSED BY THE
RESIDENTS IN HILDEN COURT COMPLEX...

NO AMOUNT OF FURTHER PLAN TO ADAPT/READJUST/IMPROVE THE
ORIGINAL PLANS PROPOSED* WILL MAKE ACCEPTABLE TO THE
IMMEDIATE NEIGHBOURS - AS DESCRIBED = HILDEN COURT COMPLEX.
THE FACTS REMAIN.

- A QUIET RESIDENTIAL ROAD. WITH FOOTWALKERS TO SCHOOL - WITHIN THE
ROAD AND TO RESIDENTS TO THE BAKH AND STATION ROAD - RECO
FOR GROCERIES - ETC. FOOT TRAFFIC IS CONSTANT IN ALL SEASONS
THEREFORE WOULD BE SUBJECTED TO SAFETY OF PEDESTRIANS IN
DAILY USE, ESPECIALLY PARENTS INVOLVED IN THEIR CHILDREN
WALKING TO SCHOOL AND AT THESE TIMES - HEAVY IN USE
- A DANGER IN ITSELF WOULD BE EXPOSED FULLY WITH LORRIES
DELIVERING TO THE PROPOSED PLANNING @ 32 ST. MARYS ROAD.
- TO TRAFFIC USING ST. MARYS ROAD AS CONSTRAINT ACCESS TO ALL
OF ABOVE. AGAIN UNDER LIMITED" DUE TO PARKING OF LORRIES. ETC.
- TO LIGHT RESTRICTION FROM WEST VIA EXTENDED BEYOND PARTY
LINE HEIGHT, AT PRESENT. SUBJECTING RESIDENTS RIGHT TO LIGHT?

• NO ONE SHOULD BE SUBJECTED TO 'RESTRICTED' DAYLIGHT IN ANY CIRCUMSTANCES WITHIN BASIC HUMAN RIGHT TO LIGHT.

NATURAL SUNSHINE ON HAYLING ISLAND IS A PERFECT RIGHT TO EMPHASISE THIS RIGHT. KNOWN FOR THE SUN'S RAY OF HEATING AND BENEFITS TO QUALITY OF LIFE - EXTENDED BEYOND, SIMPLY BECAUSE OF THE VALUE AND HAPPINESS HAYLING ISLAND NATURAL LIGHT BRINGS TO ALL.

• AGAIN IT CANNOT BE EMPHASISED TOO MUCH IN THIS CASE OF THE EXTENDED/OVER EXTENDED P.P.P. JOINT FROM 32 ST. MARY'S ROAD. OWNERS..

• NO IMPROVEMENT FROM ORIGINAL P.P.P. HAVE ACCEPTED THE RIGHT TO SUNSHINE/DAYLIGHT IS FOR ALL RESIDENTS ON HAYLING ISLAND. THIS RIGHT IS BEING SWEEP AWAY WITH HIGH WALLS OF BRICK/EXTENDED ROOF LINES AND TOGETHER WITH NOISE, DUST, PERPETUAL BUILDING PROPOSALS FOR MONTH ON MONTH OF DISTRESS ADDED INTO THE NATURAL HARMONY OF TRYING TO LIVE THROUGH A SUMMER OF DISCONTENT TO "ENJOY" THE BENEFITS OF LIVING THROUGH BRICKS. MOTOR, DIGGING, DRILLING ALL CONTRIBUTING TO DISTRESS FOR NEIGHBOURS SURROUNDING THE P.P. DEVELOPMENT.

KINDLY TAKE FURTHER NOTE

ACT WITH HUMAN DIGNITY AND SHOW KINDNESS FOR THE SURROUNDING HUMAN LIFE HAVING TO ADJUST TO P.P.P. (IF YOU GRANT THAT?)

YOUR POWER TO LOOK TO EACH SIDE OF THESE PROPOSALS HAS TO INCLUDE ALL, AT EVERY STAGE FROM PLANNING TO COMPLETION, IF YOU GRANT. YOU ARE NOT EXEMPT IN ANY WAY FORWARD.
