Dear Mr & Mrs Ward,

REF: PROPOSED CONSERVATORY

We are delighted to inform you we have now received the Planning Permission from Havant Borough Council and I enclose the original for your safe keeping.

Unfortunately the council have imposed a non-standard Condition 2 requiring the introduction of two extra panes of obscure glass as detailed on the enclosed plans.

I have therefore requested our conservatory Sales Manager Mr Dean Kareh on telephone number 01903 216782 to contact you to discuss and resolve the councils requirements.

Assuring you of our best attentions at all times.

Yours sincerely

Mr Simon Dickerson
Planning Officer
