Re: APP/23/00762

Dear Ms Lacey

We strongly object to the proposed application to add a two storey extension to the front of 98A The Brow.

A Chartered Surveyor has reviewed the application on the HBC Planning site, he has said that we have grounds to object on the basis of the overbearing nature of the two storey front extension projecting beyond the main building line. We may also have grounds to object on Right of Light (ROL), although this is a civil matter, it should be assessed in planning. We have been given the contact details of a company that deals in ROL issues.

We have included a collage of photos, the proposed extension will be up to the edge of the outside porch area and will block light into the front of our property.

Yours Faithfully
