Site address: 34 Pennant Hills, PO9 3JZ

My former objections still apply but regarding the renewed application APP/24/00190 I wish to add the following objections: -

The measurements as far as I can determine from the plans do not tally. The plot size is fixed but the dimensions within do not fit.

The additional car space is inadequate in my opinion given the size of modern cars and will increase the hazard of exiting onto the road on a tight bend which is currently a concern without this addition.
