The facts are set out in

☒ the box below

This will be sent for a planning application, but this is a temporary structure, no fixings are made to the ground what so ever and can be removed within a few hours. We were hoping to use as extra storage. This is no way an eye saw for any neighbours due to hedges being around and does not interfere with any other household.

(b) That the breach of control alleged in the enforcement notice has not occurred as a matter of fact.

(c) That there has not been a breach of planning control (for example because permission has already been granted, or it is "permitted development").

(d) That, at the time the enforcement notice was issued, it was too late to take enforcement action against the matters stated in the notice.

(e) The notice was not properly served on everyone with an interest in the land.

(f) The steps required to comply with the requirements of the notice are excessive, and lesser steps would overcome the objections.

(g) The time given to comply with the notice is too short. Please state what you consider to be a reasonable compliance period, and why.
