[REDACTED]. As you are already aware the annex is supplied by the main dwelling & no separate bills are received addressed to [REDACTED]
[REDACTED]

Also attached is the Virgin Media agreement [REDACTED]

With regards to Portsmouth Water & Southern Water these services are all dependent on 41 Brooklands Road & we would not be able to provide any documentation supporting [REDACTED] existence at the annex.

I am sure from your records with Havant borough Council you will see that [REDACTED] was the main occupant at 41 Brooklands Road until August 2021 when [REDACTED] was added as an addition adult.

[REDACTED]
I have also included a parcel delivery invoice for [REDACTED] which quite clearly is addressed to the main dwelling.

[REDACTED]
As you have seen for yourself there is no partitions in the garden and all parties have access to all areas. I have attached some photos to also prove this.

Furthermore general public can only enter the property through the front door of 41 Brooklands Road [REDACTED] gate to the side of the property which means there is no separate letter box for the annex. Photos attached to prove this.

Please can you review evidence supplied & respond accordingly to anything else you may feel is necessary.

Kind regards
