

Tree statement 21/10/2024

In relation to the planning permission request for 21, Poppy Way, Havant, PO9 2FX. Photos of the tree close to the requested planned works below. As you can see from the photos and documents the building is already in place and will not alter or disturb the tree as requested planning permission is a change of use, and no work will change the proximity of the tree to the current building. From the garage in a straight line the tree is 8 metres, and from the proposed fence is over 5 metres.
