Application for removal of condition 2 of planning permission 25401/2 relating to A2 use

Dear Ms D Paterson,

In response to your letter dated the 2nd October 2019 in respect of floor plans and further information.

I do not feel that floor plans would be appropriate in this application and will not add any value, this is due to there being no actual physical works to the premise which will remain identical.

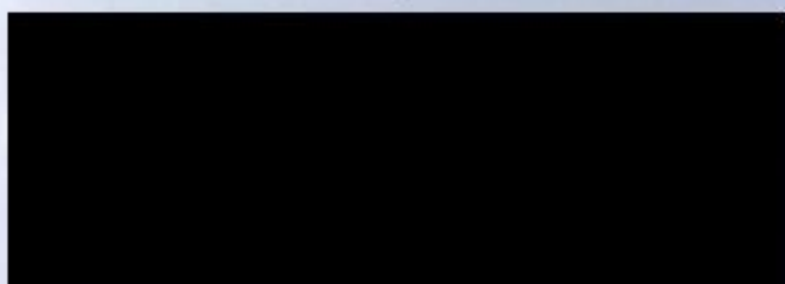

The use of the building will remain the same, only that we offer a different service to those specified in that we are a professional cleaning contracts company. We are seeking a high street presence so that new and existing clients can visit us as well as running our recruitment from the premise.

The operating hours will be between 0830hrs to 1700hrs Monday to Friday.

We are expected to have five members of staff working from the premises.

The application is for the premises to be used for the whole of A2 use and the specific purposes of 'Estates Agents, Surveyors and Insurance Agents Offices and for no other purposes whatsoever.' to be removed.

Yours Sincerely,

Daniel Barrett
