Dear Ms Stewart

Proposal to fell 3 Cypress trees at 8 Brent Court, Emsworth

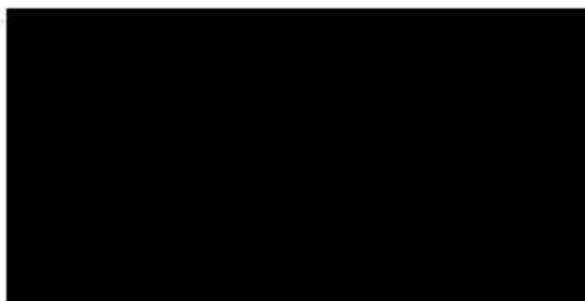

Thank you very much for your telephone call identifying the 3 trees at 8 Brent Court, Emsworth, subject to the Application for felling as numbered above.

I believe these to be the trees numbered 39, 41, and 43 on the Plan which I viewed at the Council Offices in 1997, when an Application for felling these trees and 9 others was submitted by the former owners. (After viewing by the arboriculturalist and Mrs Batchelor, the Development Control Officer at the time, the Application was refused on the grounds that the trees were in sound and healthy condition and provided desirable screening).

As the 3 trees are on the boundary with No. 67 Warblington Road and NOT with my own property I thought I should let you know that I am NOT objecting to the current Application - although of course they do have TPOs on them and the considerations relevant in 1997 might still apply today.

Thank you again for your help in elucidating the position of the trees in question.

Yours sincerely

D M C DOYE
